Costumes: Zoë Trautmann  
Sound: Harper Justus

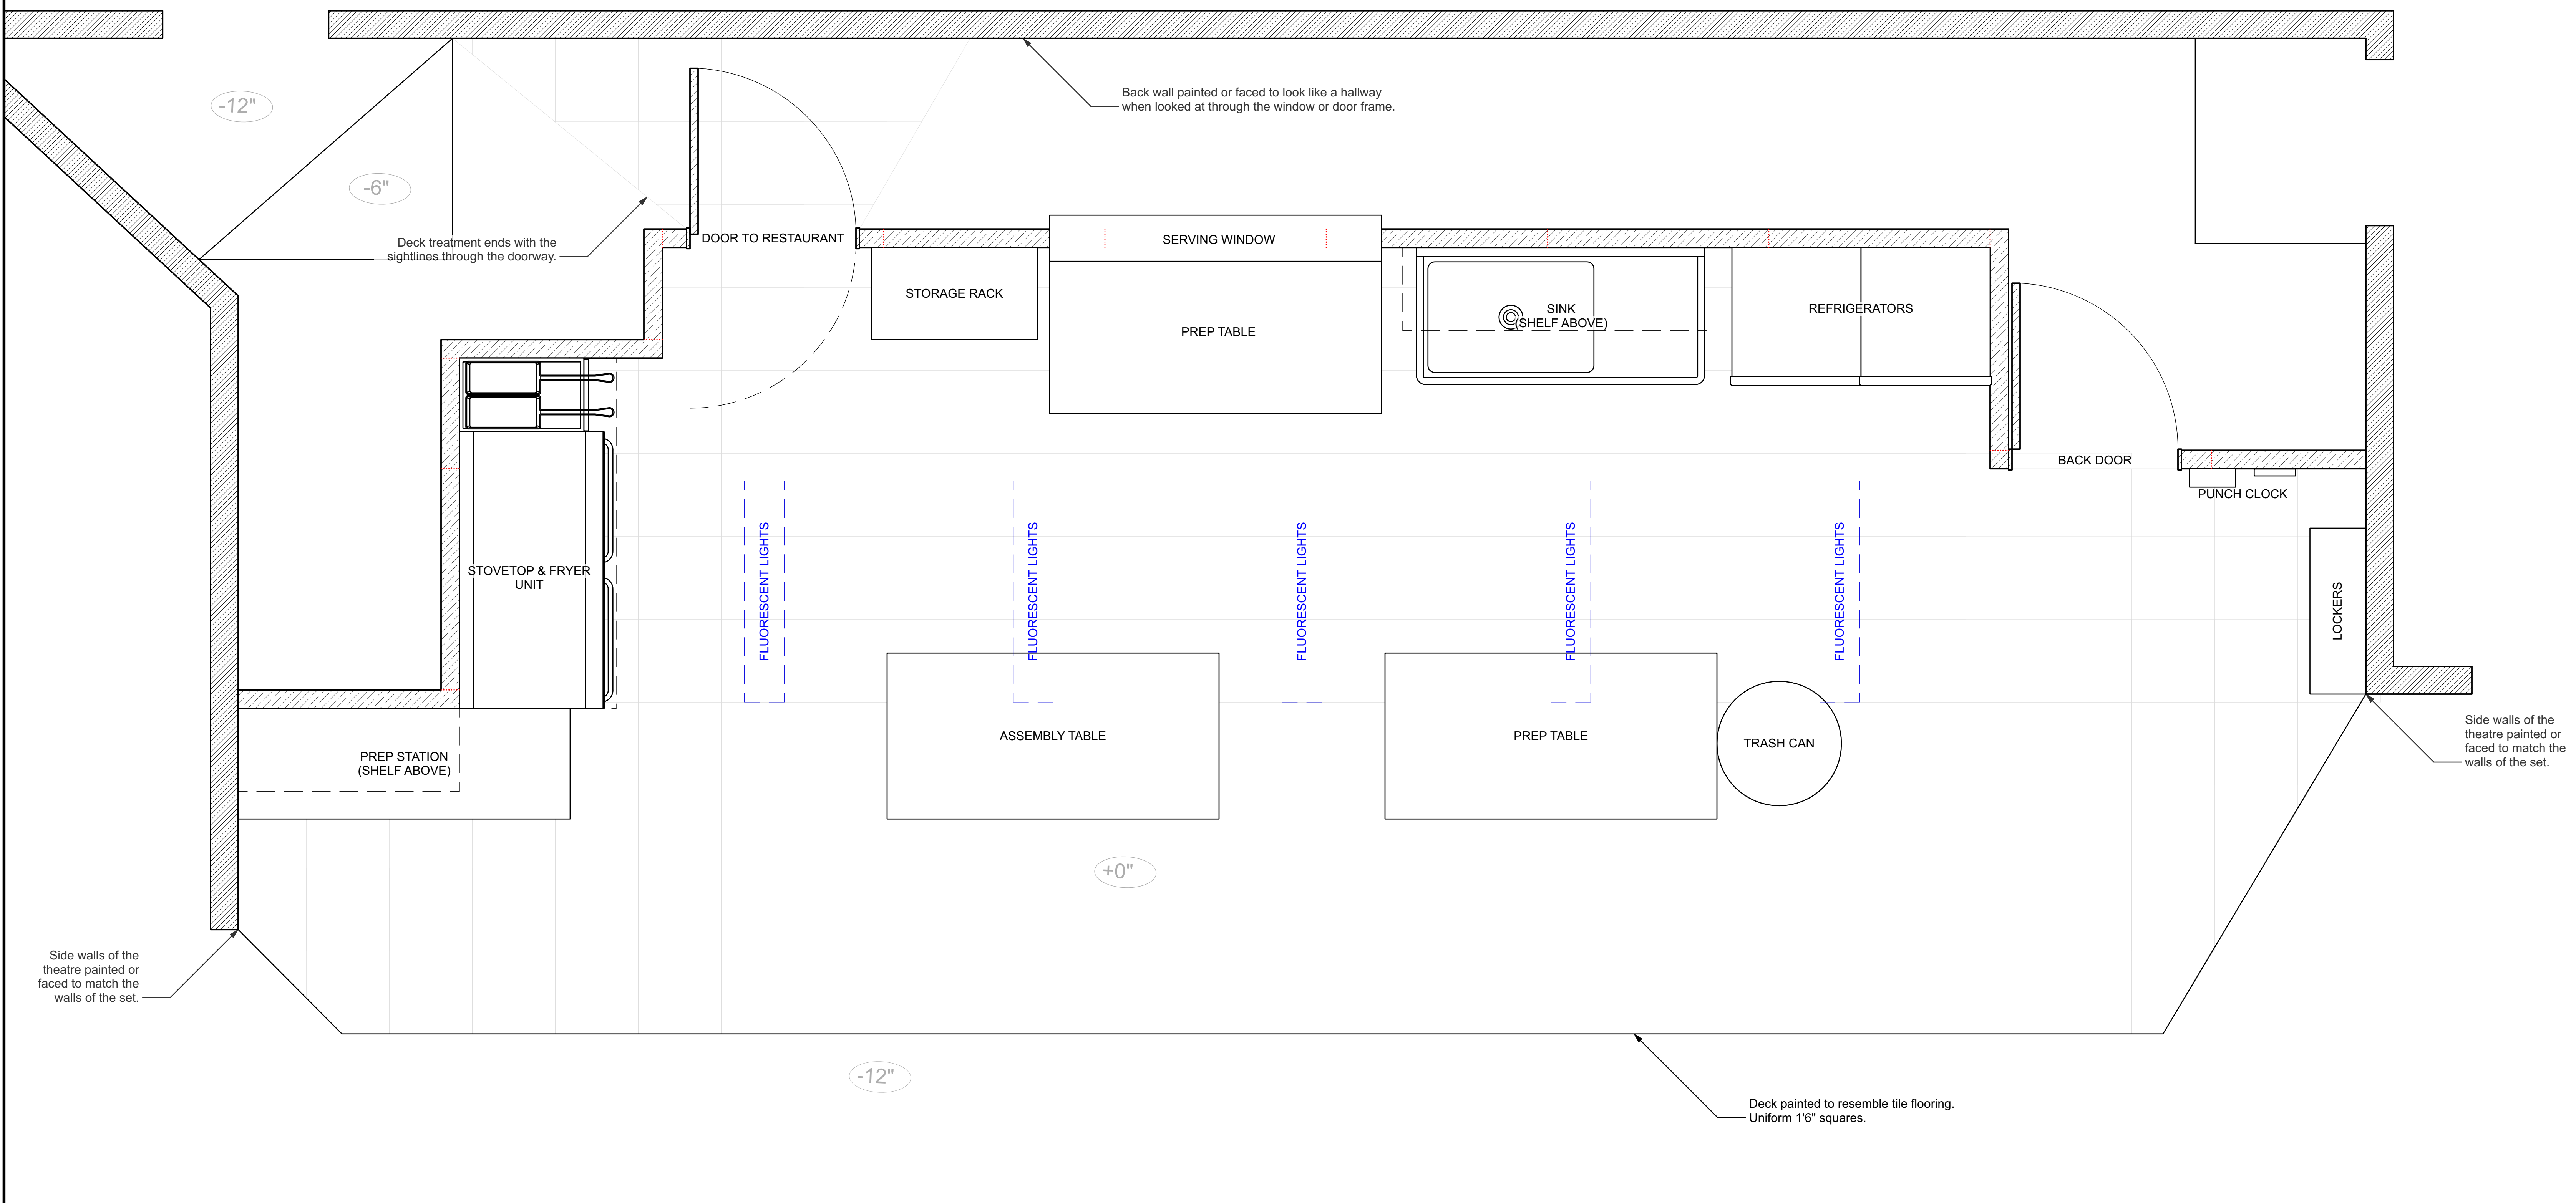

**Rendering and Research**

Revisions: 12/16/2023  
Last Updated - 12/30/2023  
Scale - N/A  
Sheet Size - ARCH D

Sheet:  
**2**  
of 8

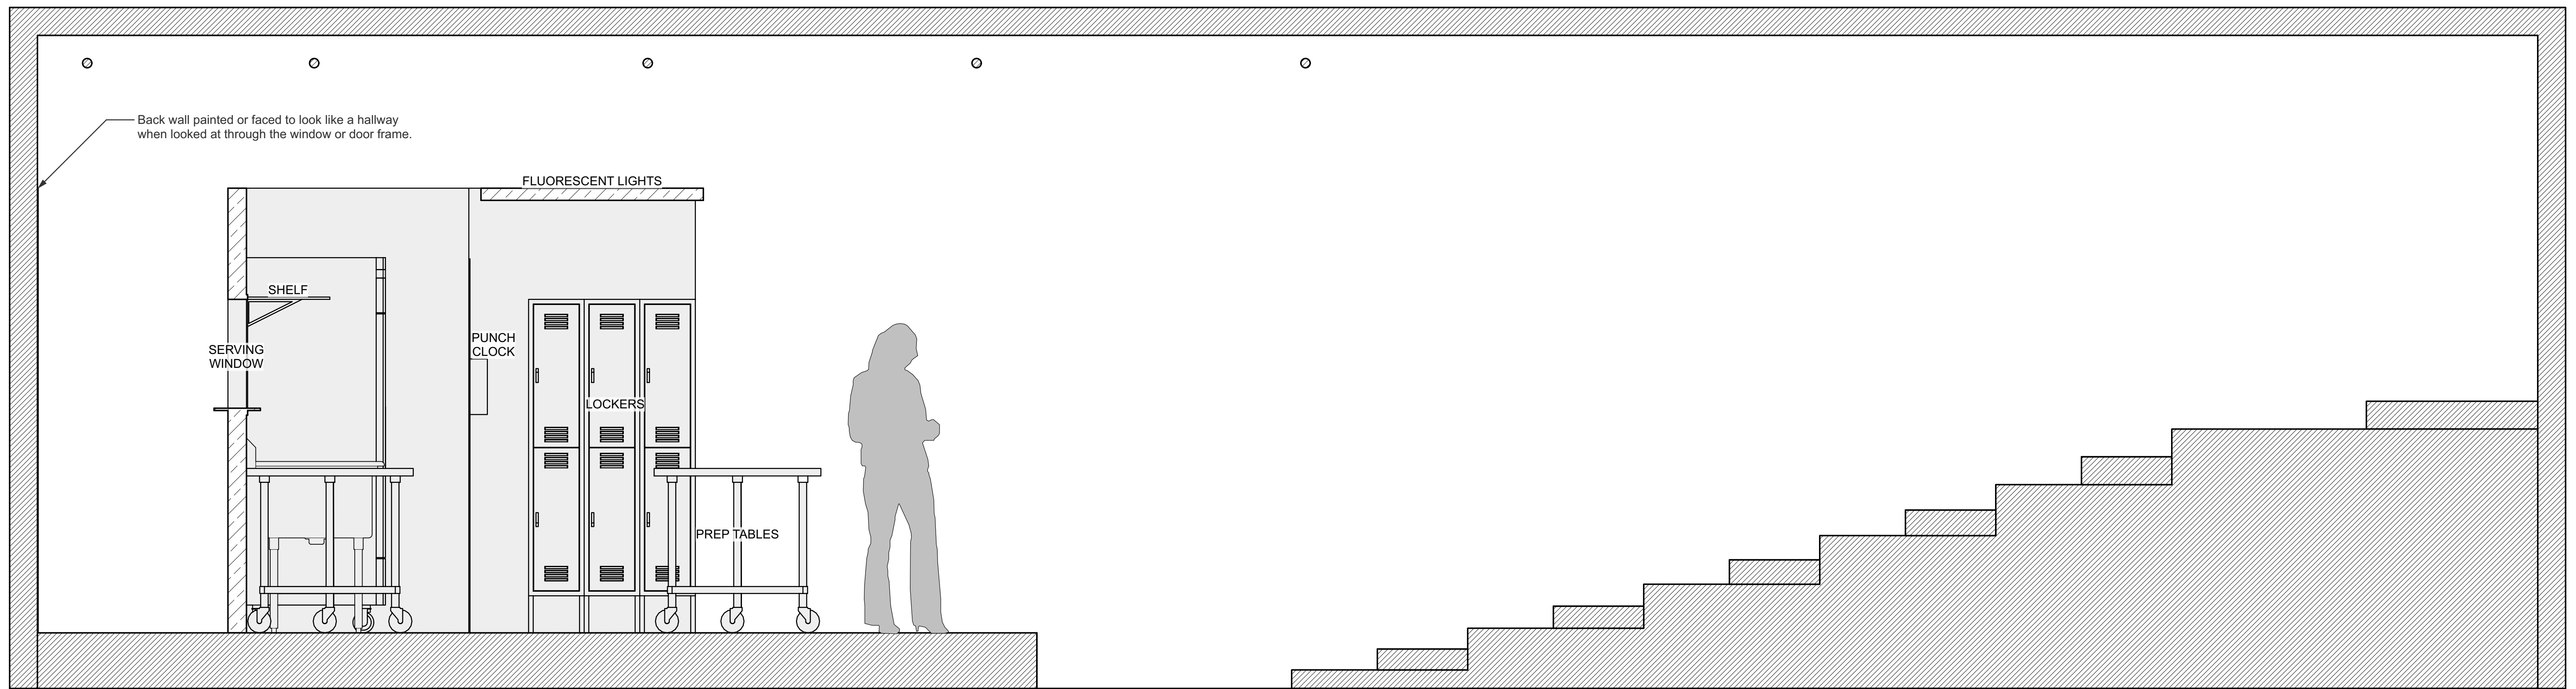

Red dotted lines indicate suggested seams between flats. Drawn with mostly standard size flats in mind. Assumes flats are made to be 4" thick.

4' x 8' Flats (10 in total: 2 with doors, 3 with window opening, 5 plain)  
 2' x 8' Flats (2 in total)  
 2' 9 1/2" x 8' Flat (1 in total)

**NOTES:**  
 Unit is built around the griddle and fryer units. This drawing assumes their total size to be 3' tall, 2'6" deep, and 6'3" wide. Dimensions of this unit may have to change depending on the actual size of these pieces.  
 Unit comprised of a backing piece behind the griddle/fryer, and a faux air vent mounted above it. All is either made from or treated to appear like stainless steel, to match the appliances.

**PREP TABLE:**  
 Dimensions: 3' W x 6' L x 3' H  
 Two of these are used (one pictured).  
 Dressed with crates/storage below.  
 Borrowed from CEO.

**ASSEMBLY TABLE:**  
 Dimensions: 3' W x 6' L x 3' H  
 Includes built in trays/dishes for sandwich ingredients (not pictured).  
 Dressed with crates/storage below.  
 Borrowed from CEO.

**PREP STATION:**  
 Dimensions: 2' W x 6' L x 3' H  
 Ideally stainless steel to match the Prep and Assembly tables.  
 Top could be stainless steel or light wood grain.  
 Dressed with kitchen appliances on top and crates/storage below.

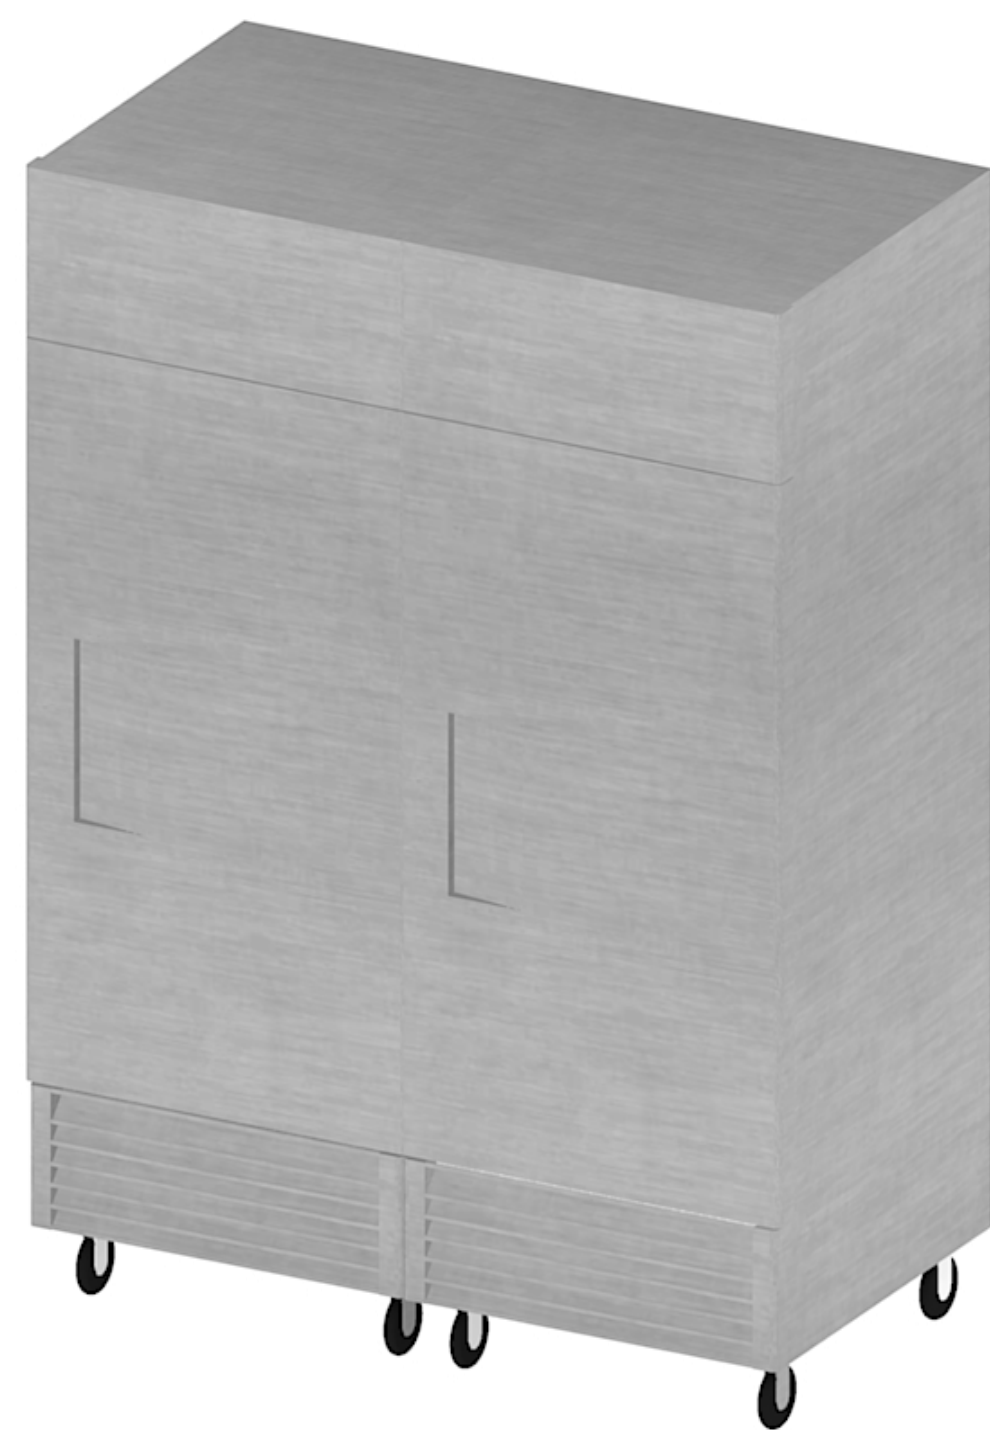

**SINK:**  
 Dimensions: 2'6" W x 5'2" L x 3' H  
 Should be stainless steel or similar material.  
 Should have running water.

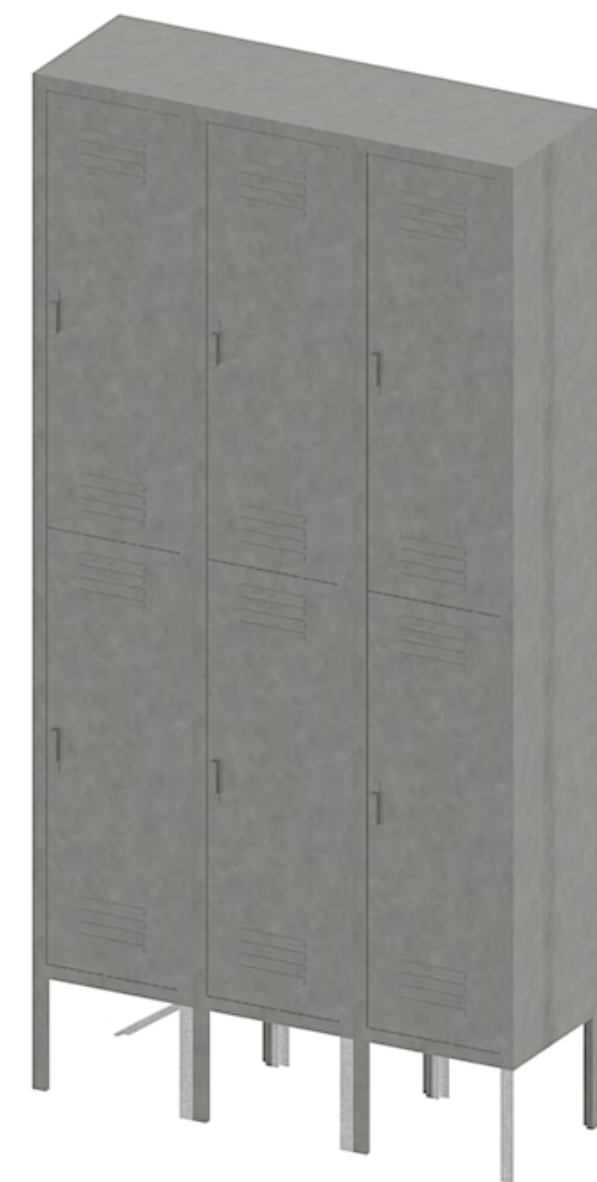

**TRASH CAN:**  
 Dimensions: 2' D x 3' H  
 Will need trash bags, possibly multiple per performance.

**NOTE:**  
 Images used on this page are not intended to be exact representations of each piece. They are for reference only, and the actual pieces can vary in look and style depending upon what is available.  
 Dimensions for each piece are approximations and reflect the sizes used for the groundplan and rendering. The real items can vary from these dimensions depending upon what is available.

**REFRIGERATORS:**  
 Dimensions (each): 2'4" W x 2'6" L x 6'9" H  
 Two of these are used (both pictured).  
 Does not need to be functional, but may need practical lighting. Discuss with electricians.  
 Borrowed from CEO.

**LOCKERS:**  
 Dimensions: 1' W x 2' L x 6' H  
 Does not need locks.  
 Should have at least three lockers.  
 Possibly borrowed from LJP.

**STOOL:**  
 Ideally stainless steel or similar material to match the other pieces.

**STORAGE RACK:**  
 Borrowed from CEO.

**FLUORESCENT LIGHTS:**  
 Dimensions (each): 5" W x 4' L x 2.5" H  
 Five are used (one pictured here).  
 Hung from the ceiling or grid. Approx. 8" above the stage.  
 Interior rigged with LED strips rather than real fluorescent tubing. Discuss with electricians.
